<p style="text-align: center;">Part Two: Attachments: Project Description, Budget, Maps, Photos, Illustrations</p>
--

Please submit the following information as part of your TLC application:

1. Short narratives to the TLC Capital Program project criteria: (1) Project Readiness Criteria, (2) Basic Eligibility Criteria, and (3) Capital Evaluation Criteria.
2. Map showing project location and local/regional street, bicycle, transit and highway facilities within and near the project area.
3. Map or plan showing project level detail (such as a site plan)
4. Photographs depicting existing conditions
5. Conceptual drawings and illustrations (such as architect renderings and elevations) of proposed capital improvements.
6. Detailed line-item budget for proposed project by phase and fund source.
7. Project schedule with milestones.
8. Optional: letters of support. Please note that letters of support only will be accepted as attachments to the application.
